Terms and Conditions

Things to make the Hen Party go really well.

Thank you for booking Chichester Self Catering for your Hen Party.

I want it to be as big a success as you do and there are a few things that everyone can do to ensure that it is! WELCOME!

Please make sure that EVERYONE is aware of the health and safety considerations and instructions for using the hot tub and the sauna.

- ✓ Have a shower before using any of these facilities and wash off any soap thoroughly – or the hot tub gets frothy!
- ✓ Make sure you have brought your own spa towels please.
- ✓ ONLY use plastic beakers for drinks around the spa facilities
- ✓ DO NOT use if you have a history of high blood pressure or are intolerant to heat or are pregnant.
- ✓ Always replace the hot tub cover after use – or it will be cold when you want to use it next! Do not fiddle with its controls – just use the on / off buttons!
- ✓ If you are using the hot tub and patio at Living Elements please KEEP THE NOISE down **after 11pm**. My neighbours are very tolerant but the sound echoes off the house of a noisy party! If I or someone else has to remind you or I get a complaint and no action is taken you may be asked to leave, immediately! I know that a group in party mood, increased alcohol intake and keeping quiet don't go brilliantly together but that's the rule. Thank you.

In the properties themselves:

- ✓ NO candles and NO smoking inside – there are receptacles for ash in each property to be used outside only.
- ✓ No Stilletoes!
- ✓ Do NOT use the white house towels to remove makeup with eg mascara / powder etc as its impossible to get out and you will get charged for a replacement! We have provided facial wipes.
- ✓ Please be honest and make a note of any breakages or things that are not working and write this on the feedback form.

Living Elements Quality self-catering Accommodation in a rural setting near Chichester

Nature's Elements

www.chichesterselfcatering.com or .co.uk

- ✓ If you are cooking in the oven – please use foil to cover food and prevent splatter. Be mindful if frying on the hobs of oil spitting out – there are splatter lids to prevent this.
- ✓ Park considerately – there is room for everyone if you park carefully. Extra parking over the road in the layby by the school.

Rubbish management

- ✓ Rinse out all used bottles / cans etc from your party weekend and put them in the RED recycling bin. Likewise for plastic food trays etc Cardboard, paper, jars, tetra paks, tin cans etc. can all go in here too.
- ✓ Food recycling – any food waste, green waste can go into the small black bin box in the kitchen to go to the compost heap. DO NOT put in any meat or bones thank you.
- ✓ General waste – black bin (by the entrance gate) and the bin is usually under the sink.

Before you leave:

- ✓ Please **strip the beds of linen** and **pile the used towels up** either on the landing or by the washing machine.
- ✓ **Write in the visitors book** and please take some photos that can be included of your party. I love to have reminders of who has come and happy smiling faces!
- ✓ **Do some likes on the Facebook, Twitter and Pinterest pages please.** Add some photos too!
- ✓ **Have a tidy up** – replace chairs or other furniture or crockery / cutlery if you are using both houses in the places that you got them from.
- ✓ **Double check all the rooms** / back of doors etc so that nothing is left behind.

Have a brilliant time – I look forward to hearing how things have gone and seeing the photos.
